

# Quarantine Management Flow Chart for Overseas Entrants (Entrants via an Airport)

<Overseas Immigration Management Team of Central Disease Control Headquarters, June. 8, 2022.(Wed.)>

- ◆ **Koreans and foreigners who do not hold a certificate of negative PCR(or RAT for professionals) test result for COVID-19 (including those who hold a non-conforming certificate) shall be restricted from getting on board the aircraft.(Regardless of vaccination status)**
  - \* If you are a foreigner who will stay in Korea for a short term, and it is found after your arrival in Korea that your certificate of negative PCR test (or a rapid antigen test for professional use) is invalid, you will not be allowed to enter the country.
  - ※ As to the entrants who are exempted from submitting a certificate of negative PCR(or RAT for professionals) test result, refer to 'FAQ related to Submission of a Certificate of Negative Test Result' in the announcement.
- ◆ **Instructions on how to use the pre-entry quarantine information system**
  - Complete implementation for travelers arriving at International Airport, with future plans of extending to ports.
  - Q-CODE system users are not required to submit a health status questionnaire or a special quarantine report (verified by the system)
  - ※ Details, including who can use the system and how to use it, are available at <https://cov19ent.kdca.go.kr>
- ◆ **The mandatory quarantine for an entrant to Korea is lifted on June 8.**
  - There is no mandatory quarantine, regardless of your history of vaccination, a type of visa etc. (only those with confirmed infection will be quarantined).

## □ Symptomatic Entrants

## □ Asymptomatic Entrants

※ Short-stay Foreigners are strongly advised to receive a PCR test within 1 day after they enter the country.
